

MENUMASTER DS1400E

COMBINATION OVEN - CONVECTION, MICROWAVE

A high speed combination oven that can evenly and consistently bake, brown and toast foods up to four times faster than a conventional oven. This powerful oven has an output potential of 50 toasted 6" inch subs per hour, 84 frozen chicken wings to crispy perfection per hour and can heat up a meat pie in 2 minutes and warm muffins in 5 seconds!

The DS1400E will save you time and money as it's easy to use and maintain uses less energy than conventional oven. It can also store up to 100 programmable menu items to provide an extensive menu option.
