introducing simply stainless

Simply Stainless has a simple philosophy - Quality, Availability, Value.

Now there's no reason why you shouldn't expect to find good quality modular sinks, benches and shelving, modestly priced. Even if it's something of a rarity these days.

Our products more than prove the point, the workmanship that goes into them is by any means exceptional.

However, we're more than happy to be judged by what is the truest test of our philosophy Quality, Availability, Value.

Simply Stainless offers a host of advantages, including;

- Lower costs
- Instant availability
- Higher Quality
- Low installation costs
- Complete product suite
- Higher residual value

wall cupboard

simply the highest quality

Because, we're concerned primarily with quality and hygiene, our products are made in 1.2 Gauge Stainless Steel with No.4 finish.

All of our products are fitted with 38mm diameter tubular polished legs with adjustable feet to easily cope with the ups and downs of uneven floors.

The benches are backed with 3mm zinc aluminium coated steel whilst the sinks are fully welded unlike pressed sinks

simply the best value

Our commitment to higher quality and lower prices can be seen in every item we make.

So how can we produce such quality at such low prices? The answer is beautifully simple.

By manufacturing large numbers of popular items we massively reduce the costs. The price advantage over traditional custom made stainless is astonishing.

We also keep costs down by utilising state-of-the-art plant in a modern purpose built factory.

Our range of products are available in 700mm depth. Larger 150mm upstand with beveled edge.

simply the finest choice

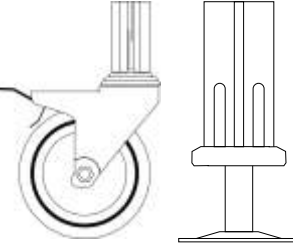

What you see here is simply the best choice available today.

We looked for good design, quality and sensible prices.

We also listened to what our customers had to say and settled on the range you see below!... and much more at www.simplystainless.com

The range we offer includes work benches with and without splash backs, corner benches, sink benches, dish wash outlets, dish wash inlet benches with sinks, wall shelves, mobile gastronorm trolleys, tier trolleys, adjustable solid storage shelving and salamander benches.

We also supply a range of accessories to enable you to do a complete fit-out in Simply Stainless.
